former winner may exhibit in this class but may only receive the Watrous Ribbon. Open only to ADS members (Class O9).

Harold Koopowitz Ribbon: Best collection of twenty-four different miniature cultivars, seedlings and/or species from at least five RHS divisions. Open only to ADS members (Class O11).

Three Miniatures by Hybridizer Ribbon: Best exhibit of three different miniature cultivars, one stem each. Eligible for the Miniature Rose Ribbon if seedlings are marked by a check on the card facing the judges. Open only to ADS members (Class O21).

Six Miniatures by Hybridizer Ribbon: Best exhibit of six different miniature cultivars, one stem each, any divisions, hybridized and originated by the exhibitor. Open only to ADS members (Class O22). Eligible for the Miniature Rose Ribbon if seedlings are marked by a check on the card facing the judges.

Twelve Miniatures by Hybridizer Ribbon: Best exhibit of twelve different miniature daffodils, any divisions, hybridized and originated by the exhibitor. Open only to ADS members (Class O23). Eligible for the Miniature Rose Ribbon if seedlings are marked by a check on the card facing the judges.

Standard Container-Grown Ribbon: Best standard container-grown named or seedling daffodil exhibit in the Container-Grown Section (Class K1). Species daffodils are not eligible for this ribbon.

Miniature Container-Grown Ribbon: Best miniature container-grown named or seedling daffodil exhibit in the Container-Grown Section (Class K2). Species daffodils are not eligible for this award.

Species/Species Hybrid Container-Grown Ribbon: Best species/species hybrid container-grown daffodil exhibited in Container-Grown Section (Class K3). All sizes of species are eligible for this award.

Silver Ribbon: Awarded to the exhibitor winning the most first place (blue) ribbons in the Horticulture Division. A blue ribbon winning collection counts as one blue ribbon, no matter how many blooms are in the collection. ADS Ribbons and ribbons won in classes for unnamed daffodils are not included in the final count. In the event of a tie, the ADS will provide additional Silver Ribbons for the co-winners.

Wells Knierim Ribbon: Best photograph in the Photography Division, Classes P1-P9. Class P-10 is eligible if daffodils are included in the photo.

Youth Photography Ribbon: Best photograph by Youth exhibitor in all Youth Photography classes, P-10.

historic cultivar scale of points. Flowers in this class would be eligible to receive the ribbon for best historic cultivar. ADS Ribbon available in 2025

Tom D. Throckmorton Ribbon: Best collection of fifteen cultivars and/or species of standard daffodils from at least fifteen different RHS classifications (Class G41), each labeled with name and complete classification.

Carey E. Quinn Award: Silver Medal or Quinn Ribbon for best collection of twenty-four different cultivars and/or species of standard daffodils from at least five divisions. The medal may be won only once by any exhibitor in all ADS shows, where offered. A former winner may exhibit in this class but may receive only the Quinn Ribbon. Open only to ADS members (Class G42).

Harry I. Tuggle, Jr. Ribbon: Best collection of three stems each of twelve different cultivars and/or species from at least three RHS divisions. This class is open only to ADS members (Class G43).

Miniature Gold Ribbon: Best miniature cultivar and/or species in the Horticulture Division, excluding Container-Grown. Historics will be judged using the Miniature Scale.

Miniature White Ribbon: Best set of three stems of one miniature cultivar and/or species daffodils, excluding Container-Grown. Historics will be judged using the Miniature Scale.

Miniature Rose Ribbon: Best miniature seedling exhibited by its originator, excluding the Container-Grown, stating the designated number, classification and parentage, if known. A winner may be selected from any miniature class.

Lavender Ribbon: Best collection of five different miniature cultivars and/or species (Classes O1 through O7). Historics will be judged using the Miniature Scale.

Miniature Red-White-Blue Ribbon: Best collection of five different miniature cultivars, one stem each of American breeding or origin, any division or divisions. Each cultivar must be correctly labeled with its name (or number, classification and originator. Eligible for the Lavender Ribbon.

Delia Bankhead Ribbon: Best collection of nine miniature cultivars and/or species, one stem each from at least three different RHS divisions. Each cultivar must be correctly labeled with its name (or number), classification. Historics will be judged using the Miniature Scale.

Roberta C. Watrous Award: Silver Medal or Watrous Ribbon for best collection of twelve different miniature cultivars and/or species of miniature daffodils from at least three RHS divisions. This medal may be won only once by any exhibitor in all ADS shows where offered. A

Find an NGC, Inc. Garden Club near you!

National Garden Clubs, Inc. is a 501(c)(3) organization that aims to promote the love of gardening, floral design, and civic and environmental responsibility and we help coordinate the interests and activities of state and local garden clubs in the U.S. and abroad.

National Garden Clubs, Inc. consists of 8 regions, 50 state garden clubs and the National Capital Area, 60 nationally affiliated organizations within the United States, 330 international affiliated organizations around the globe combined with 5,000 member garden clubs and 165,000 members. NGC is the largest volunteer organization of its type in the world.

Youth Best Collection of Five Ribbon: Best collection of five different cultivars and/or species, all standards or all miniatures, in the Youth Section (Classes G24 and O4). The winner in this class is eligible for the Purple Ribbon or the Lavender Ribbon.

Brooke Ager Youth Challenge Ribbon: Best single stem of the annual cultivar selected by ADS Youth Committee (Class Y8). Any youth, not just ADS youth members, who grows that year's challenge cultivar is eligible.

Robert Spotts Ribbon: Best collection of five different standard or five different miniature daffodils, one stem each, where green is the predominant color in either the perianth and/or the corona (Classes G31 and O7). Entries must consist of all standards or all miniatures. Each cultivar must be correctly labeled with its name (or number) and classification. The winner in this class is eligible for the Purple Ribbon or Lavender Ribbon.

Purple Ribbon: Best collection of five different standard cultivars or species in the Horticulture Division. Collections from the Historic Section are to be judged using the cultivar scale for Judging Cultivars. Each cultivar must be correctly labeled with its name (or number) and classification. The classification information in DaffSeek.org will be the labeling authority.

Red-White-Blue Ribbon: Best collection of five different standard cultivars, one stem each, of American breeding or origin, in any division or divisions. Each cultivar must be correctly labeled with its name (or number), classification and originator. The winner in this class is eligible for the Purple Ribbon.

Maroon Ribbon: Best collection of five different standard Reverse Bicolor cultivars, one stem each, any division. Perianth will be predominantly yellow and cup is predominantly white. "Predominantly" means at least two adjacent zones must be coded the designated color. Each cultivar must be correctly labeled with its name (or number) and classification. The winner in this class is eligible for the Purple Ribbon.

Marie Bozievich Ribbon: Best collection of twelve different cultivars and/or species of standard daffodils from at least four RHS divisions (Class G39). Each cultivar or species must be correctly labeled with its name (or number) and classification.

Elise Havens Ribbon: Best collection of twelve different standard cultivars from at least three RHS divisions from Divisions 5 through 10 (Class G40). Each cultivar or species must be correctly labeled with its name (or number) and classification.

Joe Hamm Historic Collection of Twelve – Twelve different standard daffodil cultivars from not less than four different divisions registered, or known to be in gardens, before 1940. All stems to be labeled with the name, division, color code and year of registration or introduction. Judged using the

authorities. The winner in this class is eligible for the Gold Ribbon or the Mini-Gold and will be judged using the Cultivar Scale.

Historic Best Set of Three Ribbon: Best set of three stems of one pre-1940 cultivar, standard or miniature, in the Historic Section registered or introduced or in gardens in 1939 or before. Species and container-grown daffodils are not eligible. The registration date or date of introduction must appear on entry cards. The earliest date shown in DaffSeek.org will be the labeling authorities. The winner in this class is eligible for the White Ribbon or Mini-White Ribbon and will be judged using the Cultivar Scale.

Historic Best Collection of Five Ribbon: Best collection of five different, standard or miniatures, registered or introduced in gardens in 1939 or before in the Historic Section. Species and container-grown daffodils are not eligible. The registration date or date of introduction must appear on entry cards or labels. The earliest date shown in DaffSeek.org will be the labeling authorities. The winner in this class is eligible for the Purple Ribbon or Lavender Ribbon and will be judged using the Cultivar Scale.

Intermediate Best Bloom Ribbon: Best intermediate-size standard cultivar selected from the Intermediate Section, any standard collection, or from any standard entry in the Youth or Small Growers Sections. Species and container-grown daffodils are not eligible. This ribbon may be offered only if there is a dedicated section for Intermediates. The classification information in DaffSeek.org will be the labeling authority. The winner in this class is eligible for the Gold Ribbon.

Intermediate Best Set of Three Ribbon: Best set of three stems of one intermediate cultivar in the Intermediate Section or in standard collection classes of sets of three. Species and container-grown daffodils are not eligible. The classification information in DaffSeek.org will be the labeling authority. The winner is eligible for the White Ribbon.

Intermediate Best Collection of Five Ribbon: Best collection of five different intermediate-size standard cultivars in the Intermediate Section or in the Collection Section. The classification information in DaffSeek.org will be the labeling authority. The winner in this class is eligible for the Purple Ribbon.

Small Growers Ribbon: Best cultivar or species exhibited in the Small Growers Section. This award can only be won by exhibitors growing unique 50 daffodils or fewer. The winner in this class is eligible for the Gold Ribbon.

Youth Best Bloom Ribbon: Best daffodil (standard, species or miniature) exhibited in the Youth Sections. The winner in this class is eligible for the Gold Ribbon or Mini-Gold Ribbon.

Youth Best Set of Three Ribbon: Best three stems of one daffodil in the Youth Section. The winner is eligible for the White Ribbon or the Mini-White Ribbon.

GENERAL RULES

1. Texas Daffodil Society and Flair Study Club will co-sponsor American Daffodil Society and NGC., Inc. Small Standard Flower Show, on Friday, March 15, 2024, and Saturday, March 16, 2024, in Rosine Hall at the Dallas Arboretum and Botanical Garden, 8625 Garland Road, Dallas, TX 75218.
2. The Show will consist of the following Divisions: Horticulture, Design and Botanical Arts.
3. Horticulture entries are limited to the many varieties of daffodils and will comply with the requirements found in American Daffodil Society's (ADS) *Handbook for Growing, Showing and Judging Daffodils* and the Judges Forum of *The Daffodil Journal*, supplemented by the current information in the American Daffodil Society's online database DaffSeek.org.
4. Design and Botanical Arts (Photography) entries will comply with requirements printed in National Garden Clubs' *Handbook for Flower Shows 2017 Edition*, latest update 2023, and any changes published in the *National Gardener*.
5. Designs must incorporate a minimum of three daffodils into the exhibits, and photography will be various categories where the focus will be daffodil, except Class P-10, Springtime in Texa. Class P-10 does not require daffodils.
6. Horticulture entries are open to anyone who grows daffodils, except where noted in the schedule. The Design Division and Photography (Botanical Arts Division) are open to members and guests of American Daffodil Society, Inc. (ADS), Texas Daffodil Society (TDS) and National Garden Clubs, Inc. (NGC).
6. Entries may be entered between 4:00 p.m. – 8:30 p.m. on Thursday, March 14, 2024, and 7:00 a.m. – 9:30 a.m. on Friday, March 15, 2024.

AMERICAN DAFFODIL SOCIETY AWARDS

Gold Ribbon: Best standard cultivar or species in the Horticulture Division, excluding Container-Grown. Historics and Species will be judged using the Cultivar Scale.

White Ribbon: Best set of three stems of one cultivar or species of standard daffodils, excluding Container-Grown. Historics and Species will be judged using the Cultivar Scale.

Rose Ribbon: Best standard seedling exhibited by its originator, stating the designated number, classification and parentage, if known. A winner may be selected from a regular class or a class for seedlings, excluding the Container-Grown. The winner is eligible for the Gold Ribbon.

Classic Best Bloom Ribbon: Best standard cultivar registered or introduced between 1940 and 1969, inclusive, exhibited in the Classic Section. Container-Grown daffodils are not eligible. The registration date or date of introduction must appear on entry cards. The date shown in DaffSeek.org will be the authority. The winner in this class is eligible for the Gold Ribbon.

Classic Best Single-Stem Ribbon: Best cultivar from a class of single stems in the Classic Single-Stem Classes introduced or registered between 1940 and 1969, inclusive, and exhibited in the Classic Section. Species and container-grown daffodils are not eligible. The registration date or date of introduction must appear on entry cards. The date shown in DaffSeek.org will be the authority.

Classic Best Set of Three Ribbon: Best standard three stems of one cultivar in the Classic Section introduced between 1940 and 1969. Species and container-grown daffodils are not eligible. The registration date or date of introduction must appear on entry cards. The date shown on DaffSeek.org will be the authority. The winner in this class is eligible for the White Ribbon.

Classic Best Collection of Five Ribbon: Best collection of five different standard classic cultivars in the Classic Section introduced or registered between 1940 and 1969, inclusive. Species and container-grown daffodils are not eligible. The registration date or date of introduction must appear on entry cards or labels. The winner in this class is eligible for the Purple Ribbon.

Historic Ribbon: Best cultivar, standard or miniature, registered or introduced in gardens in 1939 or before in the Historics Section. Species and container-grown daffodils are not eligible. The registration date or date of introduction must appear on entry cards. The earliest date shown in DaffSeek.org will be the labeling

HORTICULTURE DIVISION I

Singing Across Texas

HORTICULTURAL DIVISION GENERAL RULES

1. Exhibitors will need to enter from the back of Rosine Hall.
2. All exhibitors must be off the floor by 9:30 a.m. Friday, March 15.
This rule will be strictly enforced.
3. Judging of daffodil entries will begin at 10:00 a.m.
4. Horticulture entry cards for exhibits will be available at the February 2024 meetings of the Texas Daffodil Society and Designers with Flair Study Club and at the show at a designated location. BOTH HALVES OF THE ENTRY CARD MUST BE COMPLETED.
5. Entries, awards, and ribbons may not be removed until 12:00 p.m. on Saturday, March 16, 2024.

RULES FOR HORTICULTURAL EXHIBITS

ENTRIES

6. All classes are open to anyone who grows daffodils, except where specified otherwise.
7. An exhibitor may make as many entries as desired in any class provided each entry is a different cultivar or species or an entirely different collection of cultivars and/or species.
8. All blooms in the Horticultural Division must have been grown in the open by the exhibitor. Miniatures and daffodils grown and shown in their containers may be grown in protected areas.
9. Wedging material and containers for cut flower exhibits will be furnished by the show committee. Except for daffodils grown and shown in their containers, no daffodil foliage is permitted.
10. All collections of five or more stems must be exhibited with each cultivar or species in a separate container. Da

LABELING

11. Each cultivar or species must be correctly **labeled with its name (or number), division and color code. The originator's name must appear on the label in American bred classes except seedlings shown by the originator.** The originator is the person who first flowered the bulb regardless of who made the cross and/or planted the seed.
12. Exhibits that are not named, or incorrectly named, will not be judged. Correct classification and labeling shall be the responsibility of the exhibitor.

- acceptable. No artificial plant material is permitted. Some daffodils (3 or more blooms and/or bulbs) must be incorporated into each design, furnished by the exhibitor or supplied by the Texas Daffodil Society on March 14 and 15.
10. Living members of the animal kingdom and/or taxidermal representations are not permitted. Plants on the State's endangered or conservation plant list must be grown by the exhibitor or collected in a legal manner and so identified (State policy prevails.)
 11. All plant material used in the educational design must be identified on a 3" X 5" card, furnished by the exhibitor, with the proper common or botanical names and included with the entry tag. A 3" X 5" explanation card is encouraged. Handouts or other informational material can be included.
 12. All entries must be removed no later than 12:00 p.m. Saturday, March 16, 2024.
 13. The members of Designers with Flair Study Club and Texas Daffodil Society will strive to assure the safety of all items after arrival and placement but are not responsible for any loss or damage to the exhibits.
 14. The condition of the exhibit for the duration of the show is the responsibility of the exhibitor.

EDUCATION DIVISION IV RULES – NON COMPETITIVE

1. The Education Division of the Small Standard Flower Show conforms to the standards established by the National Garden Clubs, Inc. (NGC). *The Handbook for Flower Shows 2017* Edition, with revisions printed in *The National Gardener* magazine (TNG), is the authority for all issues not covered by the schedule.
2. Exhibits in the Education Division must be pre-registered with Karen Murrell, 214-403-3249, k_murrell@sbcglobal.net.
3. Exhibits are not to be judged. They are for informational and educational purposes and enjoyment by the public.
4. Exhibits can be the work of more than one individual of the Sogetsu School of Ikebana, Dallas Branch.
5. If exhibitor is unable to fulfill her/his assignment, it is the exhibitor's responsibility to find a replacement.
6. Exhibits may be set up between 4:00 p.m. and 8:00 p.m. on Thursday, March 14, 2024, and 7:00 a.m. and 9:30 a.m. on Friday, March 15, 2024.
7. All exhibitors must be off the floor by 9:30 a.m., March 15, 2024. **This rule will be strictly enforced.**
8. Exhibits will be staged on two (2) 8 foot tables covered with dark green table covers furnished by the Show Committee.
9. Use of fresh plant material is encouraged; however dried and/or treated dried material is allowed. Also, manufactured components are

13. No label may be changed, specimen added, removed, altered, or substituted after judging has begun or after an award has been placed.

INTERMEDIATES, MINIATURES, AND SEEDLINGS

14. An intermediate daffodil is a standard daffodil cultivar in Divisions 1, 2, 3, 4, or 11 having a single floret whose diameter is typically greater than 50 mm (1.97") through 80 mm (3.15").
15. Intermediate cultivars may be entered in classes for standard daffodils, as well as classes reserved for intermediate daffodils.
16. Miniature daffodils may be shown only in classes for miniatures. A miniature daffodil is any cultivar on the current ADS Approved List of Miniature Cultivars. Any named, numbered, or species daffodil which appears graceful, with all parts proportionally small, may be exhibited in the Miniature Classes and is eligible for all ADS Miniature awards, except that only numbered seedlings shown by the originator shall be eligible for the ADS Miniature Rose Ribbon.
17. A guideline when judging miniatures is that a single floreted cultivar normally possesses a flower less than 50 mm (1.97") in natural spread. For a multi-floreted miniature daffodil, the guideline measurement for the floral mass is 72 mm (2.83") in natural spread. The Judges may decline to judge any exhibit exceeding these measurements at the time of judging or penalize as they find appropriate.
18. Blooms of seedlings may be exhibited in all classes for named cultivars. **ALL SEEDLINGS MUST BE IDENTIFIED BY A NUMBER DESIGNATION ASSIGNED BY THE ORIGINATOR.** If the exhibitor is not the originator, the name of the originator must be included as part of the identification.

AWARDS

19. Each stem in an exhibit of cut flowers receiving an ADS Award must score 90 or more on the appropriate ADS Scale of Points.
20. Only one first, one second, and one third award may be given in each class. Honorable mention awards may also be given if merited but only if first, second, and third have been awarded. First, second, third, and honorable mention awards may be withheld by the judges if, in their opinion, the exhibit is not worthy. If a blue ribbon (first place) has been awarded in a class eligible for an ADS ribbon, the ADS Award must also be awarded.
21. The decision of the judges is final. If an error is discovered in an 999 exhibit after completion of judging, any award placed thereon (ADS,

Special, or Ribbon) shall be forfeited by the exhibitor. If an error is discovered before the judging is completed, the class must be re-judged.

MISCELLANEOUS

22. The Show Committee reserves the right to subdivide classes by cultivar or color code when there are three or more worthy exhibits of the same cultivar or color code and if a sufficient number of worthy exhibits is left in the class. Species may be subdivided by their botanical sections.
23. The Royal Horticultural Society System of Classification will be used. The labeling authority is *Daffseek.org*, which is continuously updated, or *Daffodils to Show and Grow*, supplemented by the current information in the American Daffodil Society's online database *DaffSeek.org*.
24. In the class descriptions, the words "pink cup," etc. define classes where that color is solid, *e.g.* 2W-P, or present in two adjacent zones, *e.g.* 2W-GPP. The words "pink in cup," etc. are used for classes that include both solid and rimmed cups of the same color. "Colored" is any color but white. A Reverse Bicolor has a perianth predominantly yellow, cup predominantly white, and where "predominantly" means at least two adjacent zones must be coded the designated color.

EDUCATION DIVISION IV

“DISPLAYING THE BEAUTY OF TEXAS THROUGH SOGETSU SCHOOL OF IKEBANA”

and does it enhance the image in an artistic way? Do extremes of lightness, halos, or darkness lend to or detract from the image content? Are they intentional or accidental? Consider your final printing choices (borders, mat vs glossy, paper quality and size, etc.).

Distinction/Impact - Impact is the sense one gets upon viewing an image for the first time. What is the overall impression of the image? Is the photo eye catching? Is there an effectiveness of visual communication between photo/photographer and viewer?

ADS Point Scale for Judging Cut Specimens			
	Cultivar	Species	Historic
Condition	20	50	40
Form	25	15	15
Substance and Texture	15	10 (substance)	5
		5 (texture)	5
Color	15	10	15
Pose	15	5	5
Stem		5	5
Size	10	0	10
TOTAL	100	100	100

For miniature daffodils, both cut specimens and container grown, the judges will substitute Form and Grace for Form.

In exhibits of 3 of a kind, the judges may deduct up to 5 points for lack of uniformity. If one bloom scores below 90 points, then the entry cannot receive a blue ribbon.

For collections, if one bloom scores below 90 points, then the entry cannot receive a blue ribbon. While uniformity is not a factor in judging collections of single stems, it is a factor in judging collections requiring three stems of each cultivar or species. Lack of uniformity among the three is not sufficient cause for withholding a blue ribbon.

ADS Scale of Points for Judging Container-Grown Exhibits	
Exhibit as a Whole	35
Symmetry with uniform development of each plant	20

PHOTO ENTRY TIPS AND HINTS

Conformance – Your photo should conform to the rules for entering. It should be within the written size limitations with proper backing. See Rule 8 for filling out the entry card. Check to see that your image meets the entry requirements.

Interpretation of Class Title – Make sure your photo is relevant to the class in which it is entered. Is there a connection between the class title and your photo? Interpretation of a class title can be strong and obvious, or it can be subtle but still effective.

Composition - Composition refers to the arrangement of elements used in your photo. In photography, it means paying attention to what will be photographed, how it is placed in relationship to other objects in the image, and how well the subject matter is expressed. Composition tells the story the photographer wants to convey and draws the eye into the image. Proper composition holds the viewer in the image and prompts the viewer to look where the creator intends. It brings all the visual elements together to express the purpose of the image.

Artistry/ Creativity - Does your photo show an original idea or creative thought in the making of the image? Are components in the image selected and shown in a unique way or from a non-traditional point of view? Is your image fresh and interesting? Creativity is the original and external expression of the imagination of the photographer through the image to convey an idea, message, or thought.

Technical Achievement – Technique is the approach used to create the image. Pay attention to depth of field, focus, and lighting. Is the image in focus? If not, is it intentional

photography committee will appoint three ADS Daffodil Judges to vote on the winning photo. Votes to be counted Friday afternoon/evening.

Photography Awards

Wells Knierim Winner: Best in Show ADS Wells Knierim winner will receive \$25.00 from TDS.

ADS Youth Photography Winner: Best in Show ADS Youth winner will receive \$25.00 from TDS.

ADS Photography Judge’s Choice Ribbon winners: \$20.00 from TDS.

ADS People’s Choice Award Winner: Will receive \$20.00 from TDS.

Novice Award: Photographers who have never received a blue ribbon in photography are eligible for this award, Judges will give two awards, one in P-1-9 and one in P-10.

TDS Youth Awards: Youth are eligible for a TDS merit/achievement award in each of the three age categories, Junior, Intermediate, and High School and will be judged by members of the TDS Photography Committee. Open to all photos in Youth classes.

NGC Youth Photography Awards: Will be given in Junior, Intermediate, and High School Classes. Each winner in the respective classes will receive \$15.00 from Designers with Flair Study Club.

PHOTOGRAPHY AWARDS

American Daffodil Society Awards

Wells Knierim Ribbon: Offered to the best photograph in classes P-1 through P-8. Class P-9 is eligible for this ribbon if daffodils are included in the photo.

Youth Photography Ribbon: Best photograph by Youth exhibitor in Youth class P-10 (same classes and photo descriptions as above).

ADS Photography Judge's Choice Ribbon: Each Photography Judge may award a Judge's Choice ribbon to one photograph of his/her choice in the show, excluding the Wells Knierim winner and ADS Youth top photo, 3 awarded.

People's Choice Award: Arboretum attendees, TDS Judges and members, and any other public will vote on their overall favorite photo in the show, excluding the Wells Knierim winner and top ADS Youth photo. Ballots will be placed in a voting box set up near photography. The photo with the most votes wins. In the event of a tie, the

Any species or species hybrid, one bloom to a stem	A1301	B1301
Any species or species hybrid, more than one bloom to a stem	A1302	B1302

SECTION C AND D – CLASSIC DAFFODILS

This section is open to all cultivars introduced from 1940 to 1969 inclusive. All cultivars shall be labeled with name, division number, color code and year of registration (or introduction). The date shown in the DaffSeek.org will be the authority. The Classification Committee may subdivide each class by decade and/or division regardless of the number or quality of exhibits in each subdivision prior to judging. Daffodils in this section will be judged using the cultivar scale.

SECTION C – This is for a single stem of a classic cultivar daffodil.
SECTION D – This is for three stems of a classic cultivar daffodil.

	Single Stem	3-Stems
Standard cultivars 1940-1949	C1	D1
Standard cultivars 1950-1959	C2	D2
Standard cultivars 1960-1969	C3	D3
Collection of 5 different standard classic cultivars, one stem each. (Place with standard collections)		G21

- a. Juniors – preschool through age seven.
 - b. Intermediates – age eight through twelve.
 - c. High School – age thirteen through eighteen.
13. The Show Committee will exercise caution in safeguarding exhibits but cannot assume responsibility for lost or damaged entries.
 14. All entries must be picked up at the close of the show or by prior arrangement. Those not picked up by 12:00 p.m., March 18, 2023, will become the property of the Texas Daffodil Society and may be used in future displays and publications.
 15. No one is allowed on the showroom floor during judging except Classification and Flower Show Chairmen, Photography judges and clerks.
 16. Judges reserve the right to move a photograph that has been placed in the wrong class to its proper class. If that class has already been judged, the photograph will not be judged. If the photograph gets moved to a class that has not been judged, the photograph can be judged.
 17. All judges’ decisions are final.

6. Photographs should be mounted on light-weight stiff card stock or thin foam board. Conventional light-weight matting is acceptable but not necessary. Minimum print size is 5x7 inches. The maximum allowed mounted or matted size is 12x15 inches due to limited showroom space. No frames or glass allowed. Limited supplies will be available for mounting entries; however, exhibitors are strongly encouraged to mount/mat their photos prior to arriving at the Arboretum.
7. An entry card must accompany each exhibit with **upper and lower (both)** parts of the entry card completed. Print exhibitor's name and address in pencil or use a mailing label. The entry card must have the class number, name of class, title of the photograph (if any), and name of the daffodil(s), if known. For class P-2, include the general area where the flowers were photographed if known.
8. If warranted by the quality or quantity of entries, classes may be further subdivided. First, Second, Third and Honorable Mention awards will be given, as merited, in each subdivision.
9. One Wells Knierim ribbon will be awarded for the Best Photograph in the Show, Classes P1-P8. Class P-9 will be eligible if daffodils are included in the photograph.
10. P-10 Division is reserved for youth 18 years of age and under. Youth may also enter any of Classes P-1 through P-9.
11. All Youth entries must follow Rules 1-8, as listed above.
12. Only one ADS Youth Photography Award will be awarded in P-10 Class. That recipient will be eligible for a NGC Youth Photography Award, as well. In addition, the two remaining youth categories are eligible for NGC Youth Photography Awards. There is a total of three NGC Youth Photography Awards offered, as described, as follows:

SECTION E & F — INTERMEDIATE DAFFODILS

An intermediate flower is defined as a Division 1, 2, 3, 4 or 11 cultivar with a single floret and a *typical* size between 50 and 80 mm.

SECTION E - This is for a single stem of a standard cultivar

SECTION F – This is for three stems of a standard cultivar.

	Single Stem	3-Stems
Division 1, colored perianth	E10	F1
Division 1, white perianth	E11	F1
Division 2, colored perianth	E20	F2
Division 2, white perianth	E21	F2
Division 3, colored perianth	E30	F3
Division 3, white perianth	E31	F3
Division 4, any cultivar	E40	F4
Division 11, colored perianth	E1110	F11
Division 11, white perianth	E1111	F11
Collection of 5 different intermediate cultivars, one stem each. (Place with standard collections.)	G20	

SECTION G – STANDARD DAFFODIL COLLECTIONS

These classes call for one stem of each cultivar/species unless specified otherwise.

Five different division1 cultivars	G01
Five different division 2 cultivars	G02
Five different division 3 cultivars	G03
Five different division 4 cultivars	G04
Five different division 5 cultivars	G05
Five different division 6 cultivars	G06
Five different division 7 cultivars	G07
Five different division 8 cultivars	G08
Five different division 9 cultivars	G09
Five different division 10 cultivars	G10
Five different division 11 cultivars	G11
Five different division 12 cultivars	G12
Five different division 13 species	G13

Five different Intermediate cultivars	G20
Five different Classic standard cultivars	G21
Five different Historic cultivars (Judged with Historic Scale of Points)	G22
Five different standard cultivars exhibited by Small Growers	G23
Five different standard cultivars exhibited by Youth	G24
Five different pink cupped and/or pink in cup cultivars	G25
Five different white cultivars	G26
Five different red and/or orange cupped cultivars	G27
Five different yellow cultivars	G28
Red-White-Blue Ribbon – Best collection of five different standard cultivars of American Breeding or origin in any division(s).	G29
Maroon Ribbon – Five different reverse bicolor cultivars	G30
Robert Spotts Ribbon – Five different standard daffodils where green is predominant color in either perianth and/or corona. The Robert Spotts Ribbon will be awarded to the best collection within classes G31 and O7	G31
Marie Bozievich Ribbon – Twelve different cultivars and/or species from at least four divisions.	G39
Joe Hamm Historic Collection of Twelve – Twelve different different standard daffodil cultivars from not less than four different divisions registered, or known to be in gardens, before 1940. All stems to be labeled with the name, division, color code and year of registration or introduction. Judged using the historic cultivar scale of points. Flowers in this class would be eligible to receive the ribbon for best historic cultivar. ADS Ribbon available in 2025	G40
Elise Havens Ribbon – Twelve different cultivars from at least three divisions from RHS divisions 5 through 10.	G41

DIVISION III Botanical Arts Photography

**Eligible for Awards Listed
on Pages 53-54**

The photography division celebrates the daffodil.
Everyone is encouraged to participate!

2023 Photography Division Rules

1. Photography exhibitors must bring their entries to the show area between 4:30PM and 8:30 p.m. on Thursday, March 16, 2023, or 7:00 a.m. – 9:00 a.m., Friday, March 17, 2023. Exhibitors are to park close to the back entrance of Rosine Hall and enter through the freight back door and report to the Photography Chair.
2. There is no entry fee, and exhibitors need not be members of the Texas Daffodil Society.
3. Judging of photography will begin at 1:00 p.m. Judges are asked to arrive at 12:30 p.m., coming through the back entrance to Rosine Hall.
4. All entries must be the work of the exhibitor and must contain images of one or more daffodils as required by the class. Entries must not have won a First-Place award in any class in a previous ADS show.
5. Classes are open to color or monochrome photographs and will be subdivided if needed. An exhibitor may submit up to three entries in each class.

BOTANICAL ARTS DIVISION III PHOTOGRAPHY

“Beautiful Texas”

Tom D. Throckmorton Ribbon – Fifteen cultivars and/or species from fifteen different RHS classifications. COLOR CODES REQUIRED.	G42
Carey E. Quinn Award – (Silver Medal or Quinn Ribbon) Twenty-four cultivars and/or species from at least five RHS divisions. Former winners receive the Quinn Ribbon. This class is open only to ADS members.	G43

SECTIONS H & I – HISTORIC DAFFODILS

This section is open to all cultivars, *i.e.* not species, introduced or in gardens before 1940. All cultivars shall be labeled with name, division number, color code and year of registration (or introduction). The earliest date shown in the American Daffodil Society’s online database DaffSeek.org shall be the authority.

The Classification Committee may subdivide each class by year of registration and/or division, regardless of the number or quality of exhibits in each subdivision prior to judging. Daffodils in this section will be judged using the ADS Historic Scale of Points.

Winners of the Historic single stem, 3-stem, and collection of 5 are eligible for consideration for their respective Gold, Mini-Gold, White, Mini-White, Purple, and Lavender Ribbons, in which case they are to be judged on the Cultivar scale.

	Single Stem	3-Stem
SECTION H – This is for a single stem of an historic cultivar daffodil. SECTION I – This is for three stems of an historic cultivar daffodil.		
Standard daffodil, Before 1850	H01	I01
Standard daffodil, 1850-1879	H02	I02
Standard daffodil, 1880-1899	H03	I03
Standard daffodil, 1900-1909	H04	I04
Standard daffodil, 1910-1919	H05	I05

Standard daffodil, 1920-1929	H06		I06
Standard daffodil, 1930-1939	H07		I07
Miniature daffodil pre-1940	H08		I08
Five different standard historic cultivars, one stem of each (Place in standard collections but will be judged on the Historic Scale of Points.)			G22

SECTION K – CONTAINER GROWN DAFFODILS

Blooms are to be grown in and exhibited in a container or pot. All bulbs in any one container shall be of the same cultivar or species. Container-grown daffodils may be grown in protected areas. No bloom or exhibit in this section shall be eligible for any ADS award other than the ADS awards for container-grown daffodils. Rule No. 22 is extended to permit subdividing classes by daffodil division.

SECTION K is for adults.
SECTION KY is for youth, ages 20 years of age or younger.

Standard daffodils – named cultivars or seedlings (no species)	K1	KY1
Miniature daffodils – named cultivars or seedlings (no species)	K2	KY2
Species and species hybrid daffodils. All sizes of species and species hybrids are eligible for this class.	K3	KY3

SECTION M & N – MINIATURE DAFFODILS

The Classification Committee may subdivide each class by color and/or number of florets, regardless of the number or quality of exhibits in each subdivision prior to judging.

Section B
Eligible for TDS Local Table Artistry Award

“The Stars Are Big and Bright”

A table for two planned and set for actual service of food and with a decorative unit. Staged on a 34” X 34” card table with white floor length tablecloths provided by the Show Committee. Overlays and or placemats are permitted. Three or more daffodils must be included, furnished by the Exhibitor or available from the Show Committee. Plant material must be listed on a 3” x 5” card. A 3” x 5” title/explanation card is requested.

SECTION O – OTHER MINIATURES EXHIBITS AND COLLECTIONS

Five cultivars or seedlings, one stem each (no species). This class is eligible for the ADS Lavender Ribbon.	O1
Five cultivars, seedlings, or species, one stem each. This class is eligible for the ADS Lavender Ribbon.	O2
Five stems, each one from a different division. This class is eligible for the ADS Lavender Ribbon.	O3
Five miniatures by a youth exhibitor. This class is eligible for the ADS Lavender Ribbon.	O4
Five miniatures by a small grower. This class is eligible for the ADS Lavender Ribbon	O5
Miniature Red-White-Blue Ribbon – Five cultivars or seedlings of American breeding, one stem each. For correct labeling procedure, see Rule No. 9. This class is also eligible for the ADS Lavender Ribbon	O6

Robert Spotts Ribbon – Five different miniature daffodils, one stem each, where green is the predominant color in either the perianth and/or the corona. The Robert Spotts Ribbon will be awarded to the best collection within Classes G31 and O7.	O7
Delia Bankhead Ribbon – Nine cultivars and/or species, one stem each from at least three different RHS divisions	O8
Roberta C. Watrous Award – (Silver Medal or Watrous Ribbon) Twelve cultivars and/or species of miniature daffodils from at least three RHS divisions. Former winners receive the Watrous Ribbon. This class is open only to ADS members.	O9
Harold Koopowitz Ribbon – Twenty-four miniature cultivars, seedlings and/or species, one stem each, from at least five RHS divisions. This class is open only to ADS members.	O11
Miniature Bronze Ribbon – Best collection of 3 stems of 5 different miniature cultivars and/or species from at least 3 divisions. Any exhibit of 3 stems from this class may compete for the Miniature White Ribbon	O12

Miniature Hybridizers’ Classes: Exhibitors must be ADS members. All flowers must be considered appropriate for the ADS Approved List of Miniature Daffodils for an award to be given. Identification of all blooms in the next three classes, both named and numbered, must be concealed until after judging. To facilitate the selection of candidates for the Miniature Rose Ribbon, seedlings are to be marked by a check on the card facing the judges. All flowers must be hybridized and originated by the exhibitor. Flowers may be from any division.

	Class
ADS 3 Miniatures by Hybridizer Ribbon – Three cultivars, one stem each.	O21
ADS 6 Miniatures by Hybridizer Ribbon – Six cultivars, one stem each.	O22

Section A

“Daffodils Across Texas”

Eligible for Designers Choice Award

Designs are to be staged on a ¼ section of a white floor length tablecloth covered 72” inch round table. Four designs per table, against white cardboard backgrounds (trifold science boards with wings clipped together backwards) and 35.5” high, 23” wide. Dimensions not to exceed 20 inches deep. Floor length tablecloth and white cardboard background are furnished by the Show Committee. Designer has complete freedom to choose components but must include at least 3 daffodils in the design either furnished by Exhibitor or by the Show Committee. Use of additional background or underlay is permitted. All plant material must be listed on a 3” x 5” card. A 3” x 5” title/explanation card is requested.

Statement of Awards – Design Division

1. The NGC Standard System of Awarding must be used.
 - a. Only one (1) first place (blue) ribbon per class or sub-class; must score 90 points or more.
 - b. Only one (1) second place (red) ribbon per class or sub-class; must score 85 points or more.
 - c. Only one (1) third place (yellow) ribbon per class or sub-class; must score 80 points or more.
 - d. One (1) or more Honorable Mention (white) ribbons, as merited; must score 75 or more.
2. General requirements for the NGC Design Division Top Exhibitor awards with a minimum of four (4) exhibits per class, and each exhibit must be the work of one individual, score 95 or more and be a first-place blue ribbon winner meeting all the criteria associated with the Section Award. The Section Award winner will be determined by the judges who judged that section.
3. All non-blue-ribbon exhibits scoring 90+ must be signed and dated by an NGC accredited judge on the judging panel. All other entry cards must be initialed by an accredited or student judge.
4. A description of all NGC Exhibitor Awards requirements is found in the Handbook, pp. 39-48.

ADS 12 Miniatures by Hybridizer Ribbon – Twelve cultivars, one stem each.	O23

SECTION S & T — SMALL GROWERS CLASSES

This section is open to exhibitors growing 50 or fewer cultivars and/or species. Small growers are not restricted to this section; they may elect to enter other sections for which they qualify.

SECTION S – Single stem of a **small grower’s** daffodil

SECTION T – Three stems of a **small grower’s** daffodil

Division 1 – Standard trumpet daffodil cultivars	S1		T1
Division 2 – Standard large-cupped daffodil cultivars	S2		T2
Division 3 – Standard small-cupped daffodil cultivars	S3		T3
Division 4 – Standard double daffodil cultivars	S4		T4
Division 5 – Standard triandrus daffodil cultivars	S5		T5
Division 6 – Standard cyclamineus daffodil cultivars	S6		T6
Division 7 – Standard jonquilla or apodanthus daffodil cultivars	S7		T7
Division 8 – Standard tazetta daffodil cultivars	S8		T8
Division 9 through 13 – Standard poeticus, bulbocodium, split-corona and other daffodil cultivars, as well as daffodils distinguished solely by botanical name	S9		T9
Miniature daffodil(s), any cultivar or species	S10		T10
Five different standard cultivars exhibited by small growers (place with standard collections)			G23
Five different miniature cultivars exhibited by small growers (place with miniature collections)			O5

SECTION Y & Z – YOUTH

Exhibitors are 20 years of age or younger. Youth exhibitors are not restricted to this section; they may elect to enter other sections for which they qualify.

SECTION Y – Single stem of a **youth's** daffodil

SECTION Z – Three stems of a **youth's** daffodil

Division 1 – Standard trumpet daffodil cultivars	Y1		Z1
Division 2 – Standard large-cupped daffodil cultivars	Y2		Z2
Division 3 – Standard small-cupped daffodil cultivars	Y3		Z3
Division 4 – Standard double daffodil cultivars	Y4		Z4
Divisions 5 through 8 – Standard Triandrus, Cyclamineus, Jonquilla, or Tazetta daffodil cultivars	Y5		Z5
Division 9 through 13 – Standard Poeticus, Bulbocodium, Split-Corona, and other daffodil cultivars, as well as daffodils distinguished solely by botanical name	Y6		Z6
Miniature daffodil(s), any cultivar or species	Y7		Z7
Brooke Ager Youth Challenge Class – A single stem of the ADS Brooke Ager Youth Challenge Bulb for the current year. The 2021 cultivar is Fragrant Rose . This class is open to any youth – ADS membership is not required.	Y8		
Five different standard daffodils (place with standard collections)			G24
Five different miniature daffodils (place with miniature collections)			O4

District X Protected Wildflowers

Texas & District X Wildflower Conservation List

The official policy of Texas Garden Clubs, Inc. (TGC) states that, under specific conditions, native plants on the Wildflower Protective List for each district may be exhibited in the Design Division of any Standard Flower Show held in the State to acquaint the public with their beauty and encourage their preservation. This resolution was adopted by TGC on April 29, 1970, at the Spring Convention in San Antonio, Texas.

Ayenia (Ayenia limitaris)
 Blooddrops, Pleasant-Eye (*Adonis annua*)
 Bluebell, Prairie Gentian (*Eustoma grandiflorum, E. russellianum*)
 Bluebonnet (*Lupinus subcamosus, L. texensis*)
 Blue Curls (*Placelia congesta*)
 Dogwood (*Cornus florida*)
 Mountain-pink (*Centaurium beyrichii, Erythraea beyrichii*)
 Pink Gentian (*Erythraea calycosa*)
 Scarlet Paintbrush (*Castilleja indivisa*)
 Shootingstar (*Dodecatheon meadia*)
 Standing Cypress, Texas Plume (*Ipomopsis rubra, Gilia rubra*)
 Texas Pink Star (*Sabatia campestris*)
 Winecup, Poppy Mallow (*Callirhoe involucrate or C. digitate*)
 Yellow Paintbrush (*Castillea purpurea, var. citrina*)

NGC Judges

1. Judging of the Design Division will be a panel of NGC-approved judges, consisting of three (3) NGC Accredited Judges, two (2) NGC Accredited Judges and one (1) NGC Student Judge.
2. Judges are asked report to the Design Chairman.
3. Judging will begin at 1:00 p.m.
4. Judges are asked to provide comments.
5. All exhibits in Design Division will be evaluated by the Design Scale of Points listed on page 130 of the HB and is provided below.
6. Lunch will be provided by the Show Committee.

- of all items after arrival and placement but are not responsible for any loss or damage to the exhibits.
17. The condition of the exhibit for the duration of the show is the responsibility of the exhibitor.
 18. All judges' decisions are final.

8. The Design Classification/Placement Chairman must approve and initial approval of all entries for identification and conformity prior to judging. Final Design Conformance determination is the responsibility of the judges.
9. Judging of the Design Division will begin at 1:00 p.m., March 15, 2024. The decisions of the judges are FINAL. Awards may be withheld if not merited.
10. The General Chairman and Classification Chairman for the Design Division will be available for possible consultations. They, along with the judges and clerks, are the only personnel allowed on the floor during judging.
11. The NGC Exhibit Policies are printed in the *Handbook for Flower Shows*, Chapter 7, Exhibiting in the Design Division, NGC Policies and Guidelines.
12. Plant material and non-plant material permitted and not permitted in the Design Division are printed in the *Handbook for Flower Shows*, Chapter 7, pp. 80-81. Living members of the animal kingdom and/or taxidermal representations are not permitted. Plants on the State's endangered or conservation plant list must be grown by the exhibitor or collected in a legal manner and so identified (State policy prevails.)
13. All plant material used in the design must be identified on a 3" X 5" card, furnished by the exhibitor, with the proper common or botanical names and included with the entry tag. A 3" X 5" explanation card is encouraged.
14. The exhibitor is required to conform to the stated description and limitations of the Design Types.
15. All entries must be removed no later than 12:00 p.m. Saturday, March 16, 2024.
16. The members of Designers with Flair Study Club and Texas Daffodil Society will strive to assure the safety

DESIGN DIVISION II GENERAL RULES

1. The Design Division of the Small Standard Flower Show conforms to the standards established by the National Garden Clubs, Inc. (NGC). *The Handbook for Flower Shows* 2017 Edition, with revisions printed in *The National Gardener* magazine (TNG), is the authority for all issues not covered by the schedule, which is the Law of the Design Division of the Show.
2. Entries in the Design Division must be pre-registered with Karen Murrell, 214-403-3249, k_murrell@sbcglobal.net. The design entry cards will be prepared by the Design Chairman and given to the exhibitors upon check-in on Thursday, March 14, or Friday morning, March 15.
3. Each exhibitor is limited to one entry per Design class but may enter as many classes in the Design Division as desired.
4. If exhibitor is unable to fulfill her/his assignment, it is the exhibitor's responsibility to find a replacement.
5. Design entries may be set up between 4:00 p.m. and 8:00 p.m. on Thursday, March 14, 2024, and 7:00 a.m. and 9:30 a.m. on Friday, March 15, 2024.
6. All exhibitors must be off the floor by 9:30 a.m, March 15, 2024. **This rule will be strictly enforced.**
7. There must be emphasis on FRESH plant material. However, dried and/or treated dried material is allowed. No artificial plant material is permitted. Some daffodils (3 or more) must be incorporated into each design, furnished by the exhibitor or supplied by the Texas Daffodil Society on March 14 and 15.

Local TDS Awards

Texas Daffodil Society's Choice Award: This award will be designated by judges of the Texas Daffodil Society and need not be a blue-ribbon winner. Two awards, one for adults and one for youth, can be awarded.

Bertie Ferris TDS Award: Restricted to members of the Texas Daffodil Society and awarded to the best Tazetta.

Dottie Sable-Armstrong TDS Award: Restricted to members of the Texas Daffodil Society and awarded to the best Thalia. If no Thalia, eligible, best Division 5.

Rodney L. Armstrong, Jr. TDS Award: Restricted to members of the Texas Daffodil Society and awarded to the best Reverse Bi-Color. If the best reverse bi-color not eligible, best Division 2 or 3.

Keith Kridler TDS Award: Restricted to members of the Texas Daffodil Society and awarded to the best Beersheba. If no Beersheba eligible, best Division 1.

People's Choice: Medal will be awarded to the daffodil in Section A, Division I and II daffodils voted favorite by visitors during the Friday show.

People's Choice: Medal will be awarded to the photograph voted favorite by visitors during the Friday show.

Master Gardener's Award: Awarded to the best daffodil in the Master Gardener's Section.

Novice Award: Photographers who have never received a blue ribbon in Division III, Photography, are eligible for this award. A Novice Award will be awarded in both Adult and Youth.
